1376 Old Cleveland Road
Carindale. Qld. 4152

Maclean's Bridge Sports and Classic Car Festival 2021 **Sunday 23rd May – Belmont Range**

Payment and Covid Check In Details

TSOAQ is required to collect contact details to conform with Queensland's COVID regulations, therefore there will be a combined Pay Booth and COVID check point inside the complex near the café.

There will be three ways that TSOAQ will be collecting the information, the first, **Pre-Registration** is the recommended method as it will enable cars to proceed along an "Express Lane" bypassing the pay booths and COVID check.

1/ Pre-Registration

Complete a TSOAQ individual pre-registration document, email or mail completed document together with \$15.00 payment to addresses given on the form. You will receive a pdf entry ticket by email that will need to be printed and displayed on the vehicles dash so it can be clearly seen by the marshals on the gate. **Keep to the left to access the pre-registered lane and proceed to the display area.**

2/ Use The Queensland Government Tracing App

Have the Qld Tracing App on a smartphone, the following are instructions from the Govt website. **Please ensure you have downloaded the App and registered your details prior to your arrival.**

Make sure you have a compatible phone or tablet device and your internet connection is switched on. The Check In Qld app is available on: Apple iPhone, iPad and iPad touch operating iOS 10.0 or later, Android devices using Android 5+.

Download the Check In Qld app from Google Play Store or the Apple App Store.

Register your details (required for the first time only).

- *Full name*
- *Phone number*
- *Email address*

At participating venues, open the app, select 'Check In Now' and hover your smartphone over the displayed Check In Qld QR code.

Add in any additional people—those who are with you without their own device or app.

When the check-in is complete, show venue staff the app successful check in screen.

Marshals will be in the vicinity to collect the entry fee, note that both cash and eftpos facilities for credit card payments are available this year.

3/ Complete Manual COVID Questionnaire

Attendees who have not pre-registered or have the Govt App will need to complete a paper

COVID questionnaire that can be downloaded from the Mac's Bridge page on TSOAQ website, see <https://www.tsoaq.org.au/index.php/macleans-bridge>
It is recommended that entrants download a form and complete prior to arrival to reduce potential holdups during entry. Marshals will be in the vicinity of the checking area to collect the completed form and entry fee, note that both cash and eftpos facilities for credit card payments are available this year.

Cars without a completed form will be handed a form whilst making their payment, then directed to an area where the form can be completed, handed to a marshal, prior to proceeding to the display area.

See Attached pre-registration form, COVID questionnaire and entrance maps.

Please Stay COVID Safe at Mac's Bridge

Keep Your Distance
