

Mac's Bridge Sports and Classic Car Festival (23rd May 2021) Club Pre-registration for Display

There are clear benefits for the Club, its members, and the smooth running of the Event if a Club completes this pre-registration. These are:

1. Cars that are pre-registered are asked to display a copy of their ticket on the dash and speed up their entry by taking the signed pre-entry lane.
2. Only Clubs that pre-register are eligible for the Best Club or Marque prize.
3. Club pre-registration provides the Organising Committee the opportunity to plan ahead for parking and display layout.
4. Only pre-registered clubs can be assured of parking space for their full estimate. Of course, the Organising Committee knows that your pre-registration might not be the total of your marque attending, but it and your total estimate will assist planning.

Please note:

1. All entries are eligible for the President's Choice Award (and Prize).
2. The TSOAQ and the Organising Committee accept no responsibility for any vehicle at Belmont Range, 1485 Old Cleveland Rd. and the Club representative, by signing below, asserts that members attending have been advised of the need to accept responsibility for their vehicles and any property in the vehicles while the vehicles are in the display.
3. Participation in field judging is optional. Owners who wish their cars to be judged must so indicate by displaying a completed Owners/Class Sheet on their dash. These sheets can be located in the entry pack handed out at the gate. A copy of the sheet can also be downloaded from the website.
4. The decisions of the judge or judges in any class are final.
5. To ensure this Club application is processed it must be accompanied by a cheque equalling \$15 x the number of nominated vehicles or confirmation of payment by other method. This payment ensures entry to Belmont Range for the nominated number of vehicles, drivers and passengers.
6. Applications for pre-registration will be accepted if received in the mail (or by email) by 19th May 2021.
